Dedication

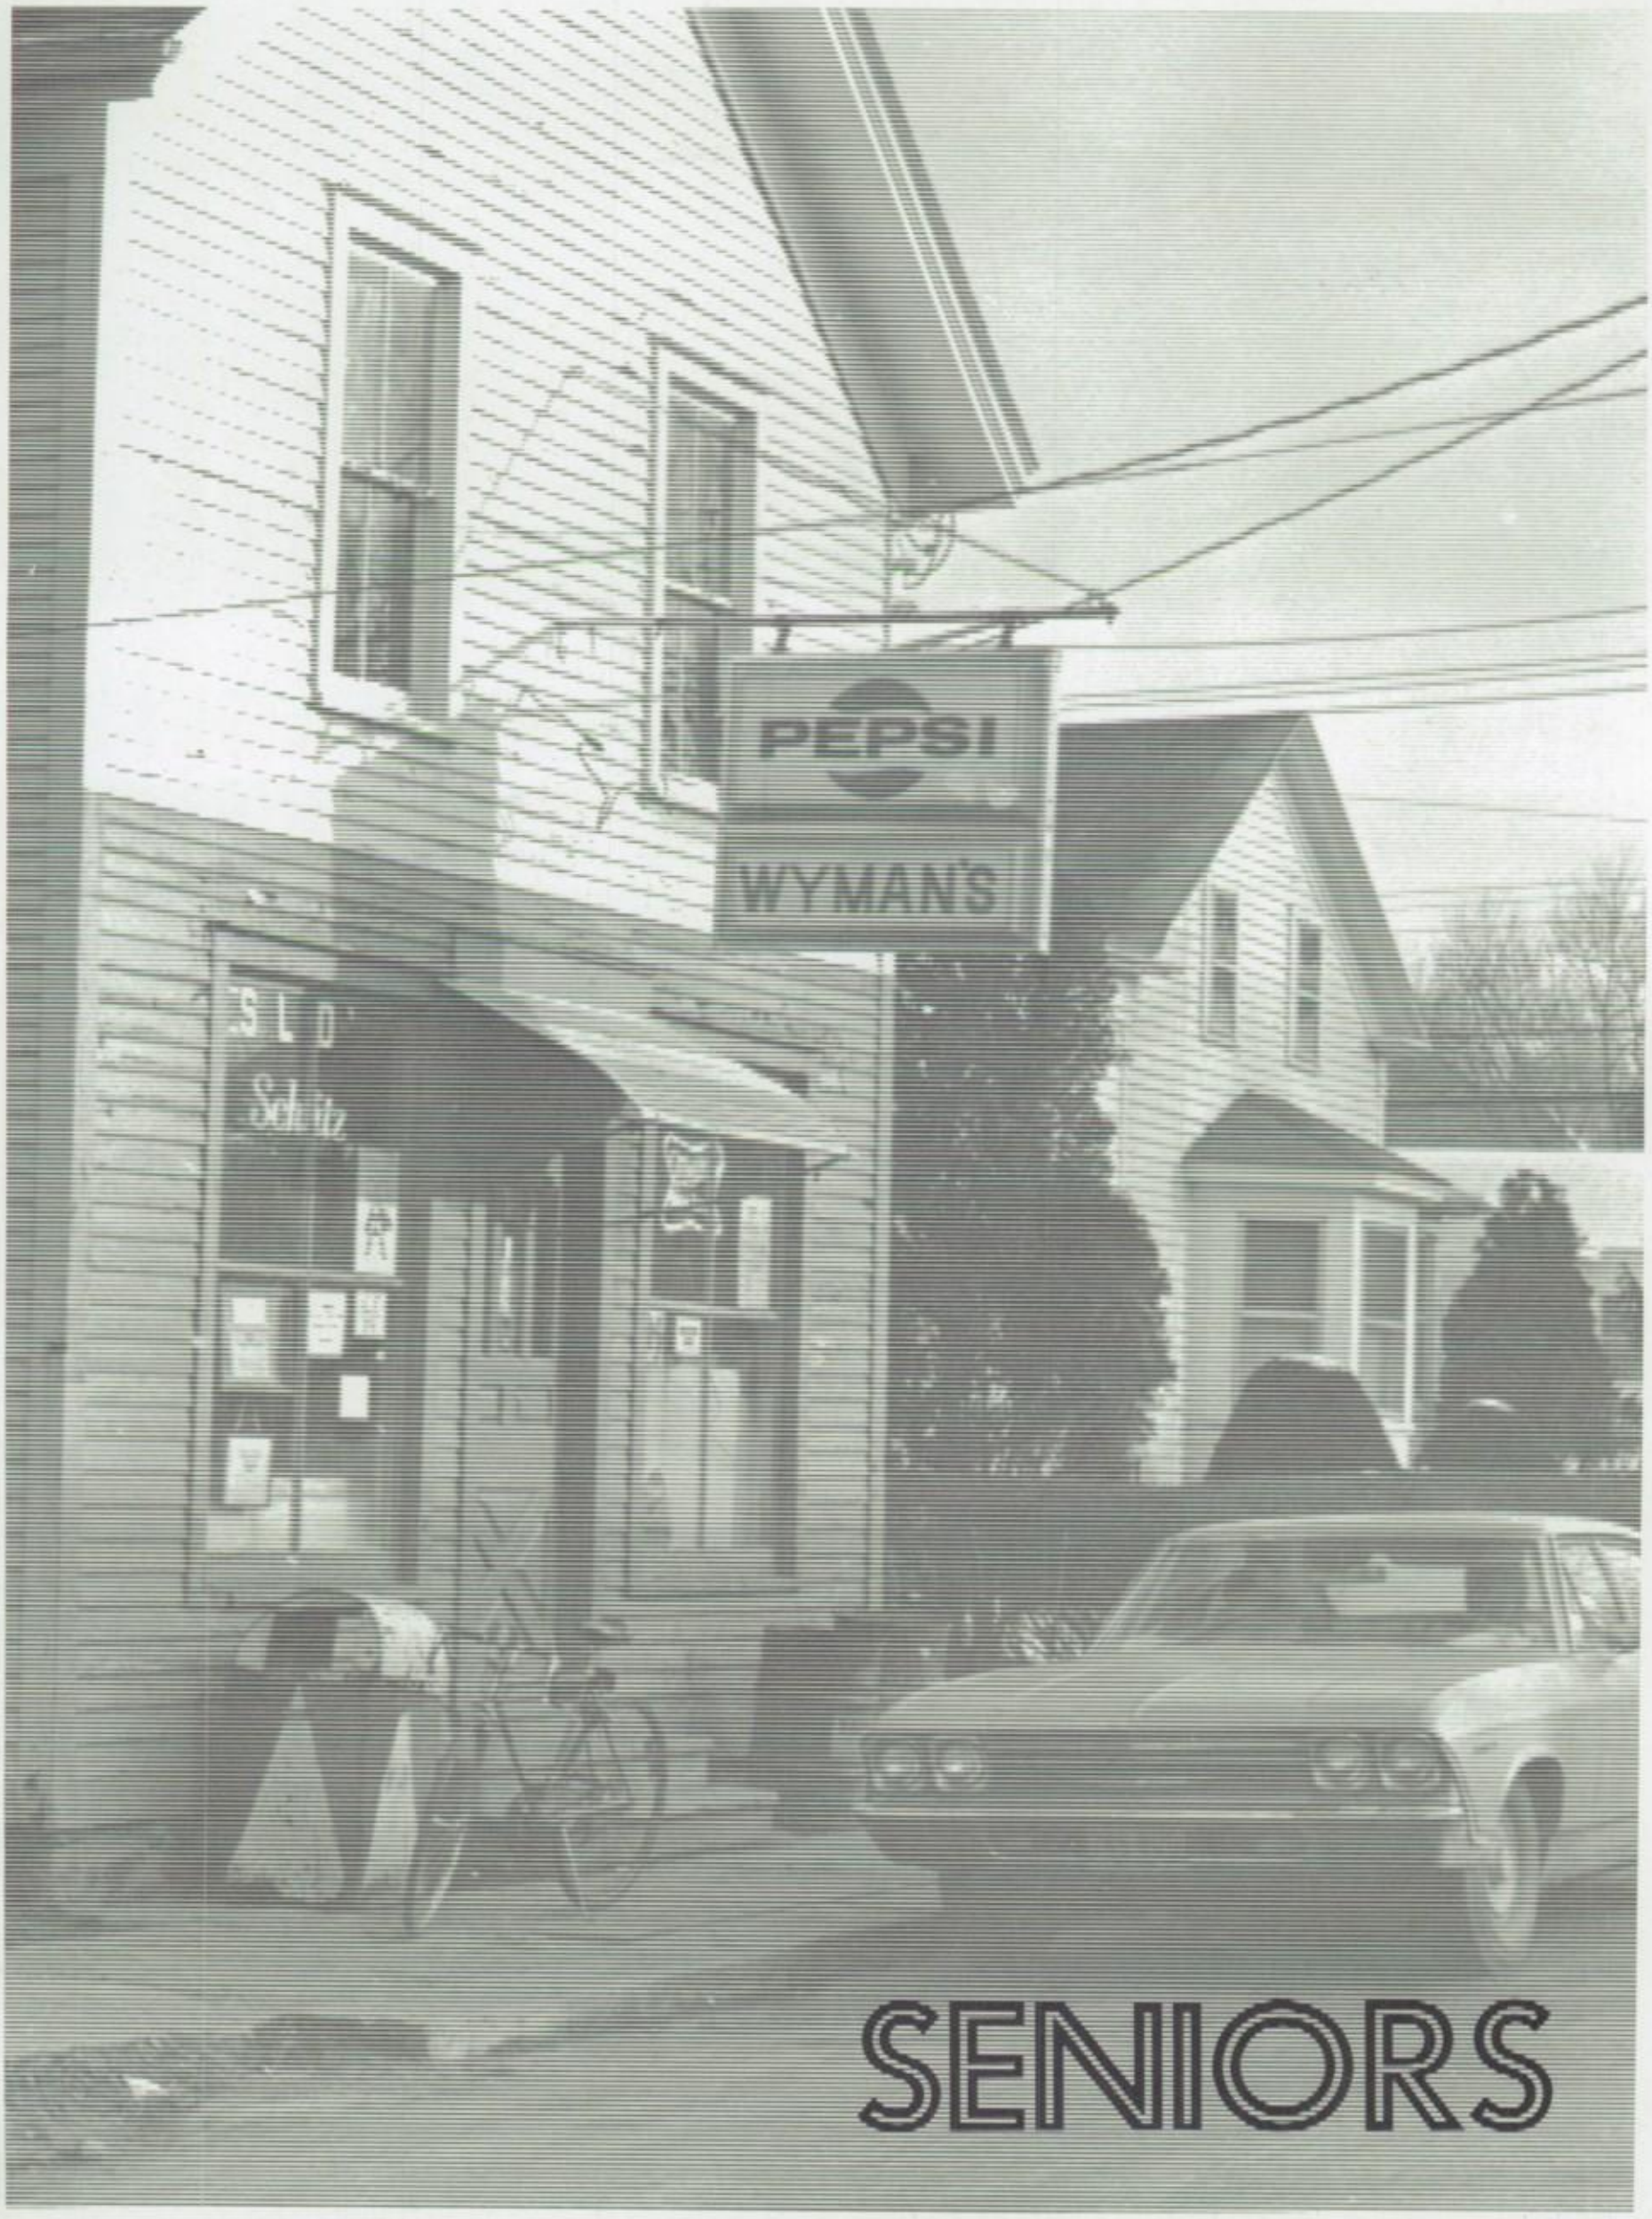
In appreciation of all you have done for us in our years at Hoosick Falls Central, we, the class of 1979, dedicate the Vagabond to you Ms. Cicero.

We are grateful for all the time you have given us in these last few years. Because of your wise guidance and infinite patientce, we have overcome problems that had seemed so insurmountable.

You are much admired for the fact that you treat us as you would a friend, and that you always take the time to listen.

We wish to acknowledge the endless hours you had put into our Junior Prom. A rapidly dwindling treasury worried many. You were undaunted by this as we had a magnificent prom.

We assure you of our deep respect and gratitude, and we hope for the best of everything in your future.



SENIORS

Seniors

Seniors Set Magazine Sales Record

These last four years of high school have provided many fond memories for the class of 1979. The Junior Prom was a glittering success and the Winter Ball and Winter Weekend were equally enjoyable. The senior magazine drive produced a sensational profit. With 100% participation, the class of "79" was able to raise more capital than any previous senior class. The senior trip and senior banquet climaxed the year. Now that the school year is coming tc an end we can reflect on all these good times we've had and look forward to many more.

Panthers Close Out Season On A Winning Note!

The Panthers, after suffering through a long hard season, finished out with two big wins against Schuylerville and Saratoga Catholic. The Panthers did manage to give a tough game to Greenwich only losing 8-0 to the super bowl champs. They also gave the Indians of Cambridge a very good game losing 19-12 scoring two T.D.'s on the league's toughest defense. Wade White lead the team in interceptions as well as contributing to the running game. Ed Sukuskas played many fine games defensively. Through the tough year the Panther team showed it could compete with any team.

The football cheerleaders had a good season under the direction of Mrs. Frazier. There were six new members on the squad this year; April Barnhart, LeeAnn Harrison, Cindy Keeler, Kelly King, Michelle Moore, and Lori Stewart. All the girls kept up the spirit of the team and never gave up.

The officers of this year were Donna Reynolds, President; Wendy Liporace, Vice-President; Lori Stewart, Secretary; Vicki Seifert, Treasurer.

Long hours of practice, poster making and hoop making added to the spirit on the day of the game as well as the daily school routine.

Varsity Field Hockey

Field Hockey Team Makes Sectionals Again!!

The varsity field hockey team had an excellent season ending with an 8-3 overall record. Their league record was 5-2 with both losses in overtime. After these defeats, the girls still came back to beat Cambridge and qualify for the sectionals. They were then defeated by Waterford, which ended up winning the sectionals, to end their season.

The entire season showed great team work, enthusiasm, excitement, and an occasional disappointment. The girls are looking forward to another good season next year.

Softball Suffers Through Losing Season

This year the J.V. girls started out with only 2 returning members. They had to do a lot of rebuilding but a lot of improvement was shown. The girls were very dedicated, even with their 2-12 record.

The future looks very promising for the girls with the return of several key players.

The junior varsity softball team finished the season with 2 wins and 12 losses. There were 2 members from last year's team on this year's team. There were several close games which resulted in excellent defense from Nancy Fabiano and strong pitching from Diana Danforth. The team saw a lot of improvement in the girls and a very dedicated 2nd string of girls.

The Wrestling Pep Club has again proved they play a big part in the H.F.C.S. Wrestling season. With a total of 21 matches and tournaments, 8 of which being home, the girls were kept busy. Pep Club members worked hard under the supervision of Mrs. Carpenter, and they managed to raise over $1,000.00 selling candles. Part of the profits went toward sending wrestlers to camp. Much of the rest was used for supplies. This year's officers were Jill Kipp- President; Connie Gardner- Vice-President; Bonnie Baker-Secretary; Wendy Liporace- Treasurer.

Spring Play Plays To Large Audience

The drama club of Hoosick Falls Central presented, in the spring of 1978, the comedy "George Washington Slept Here." The cast played to a crowded and appreciative audience on two consecutive evenings.

The two main characters, Newton and Annabelle Fuller, switch from city life to the rural country life. What follows is a humorous attempt to save their newly purchased home from a cranky sinister neighbor. In doing so, they learn the true meaning of family relations and obligations.

As the curtain was brought to a final close, an enjoyable evening was shared by both audience and performers.

Damn Yankees

Damn Yankees Enthralls Large Audience

The H.F.C.S. Drama Club presented in the fall of 1978 the musical-comedy, "Damn Yankees."

With the help of many talented students and adults, the H.F.C.S. auditorium was turned into the setting for Joe Boyd's rise to fame as the shortstop who helped the Washington Senators win the pennant from the New York Yankees. By selling his soul to the devil, Joy Boyd was turned into a young athlete named Joe Hardy. Joe Hardy then started the Senators on their winning streak.

In the final few scenes of the play, Joe Hardy realizes that he doesn't want to be in debt to the devil. He wants to become Joe Boyd again.

Right up through the thrilling climax of the play, sat a captivated audience on two consecutive nights. Once again the drama club at H.F.C.S. put on another great musical.

Yearbook

Yearbook Meets Deadlines With Long Hours Of Work.

The staff of the 1978-79 edition of Vagabond II tried a new approach this year. Ideas for a theme were mulled over for days. Their decision: Hoosick Falls! Familar places and things from the town were included to provide fond memories in years to come. Under the supervision of Mr. Marozas and Mr. Peckham, the staff worked diligently. Long hours were put in, including Saturdays and holidays, to meet the ever demanding deadlines.

Student Council

Renewed Interest

In the past and forth coming years, the Student Council has done many things that many have profited from. They are most noted for their yearly Blood Mobile and the Christmas tree decorations that were made by elementary students.

This year some members met with other student council members from 16 different schools. They attended workshops and discussed student government. The council is now meeting with Mr. Waterhouse and Mr. Leonard in hopes of changing student body life. Two council members now actively participate at board meetings as a liaison between the students and the board. At the parent teacher meetings the members acted as guides and worked the P.A. system during the meetings. They put on a Tea for the foreign exchange student visiting the school. This year, all members are aiding in the war against smoking and vandalism by discouraging it and actively doing things about it.

Clarinet Choir

An a one uh, an a two uh . . .

Clarinet Choir Sensational At St. Mark's

The Clarinet Choir movement began on the university level as an ensemble and worked down into the high school level. The clarinet choir is able to perform music that has been originally written for the medium as well as transcriptions from organ, orchestra, and other literature.

The Hoosick Falls Clarinet Choir began its program in 1965 and has continued to be a means of expression since then - rehearsing weekly and performing publicly two or three times each year in addition to attending the New York State School Music Association festival for judging.

The size of the group permits musical entertainment in small halls or churches. Each year, the clarinet choir performs in Saint Mark's Church at Christmas time, and at the Germain Church in White Creek in the late spring.

Through the clarinet choir many people are able to see a musical group perform in their own community. Thanks to the dedicated young people who are in the group, we are able to bring this live music to the people.

Band Plays In Numerous Concerts And Parades

This year the Hoosick Falls Senior Band, composed of students in grades 9 through 12, participated in the annual Christmas, Pops and Spring concerts. The tradition of attending the New York State Music Association Festival, commonly known as the contest, was re-established. Some band members took part in the February 3 All County program. Students from county schools unite for this yearly concert. During the spring months, members practiced for the Memorial Day parades. A stage band, a new concept at Hoosick Falls, was established by some enterprising students.

Junior Band

. . . and the band goes marching on!

Junior Band Cuts A Record

The 1978-79 junior high school band is again planning an active program. The band, under the direction of Mr. Gaillard, begins the concert season with the Christmas concert and assembly program.

The new year brings the spring concert, contest, Grange Hall concert and the concert at the Health Center. The band also takes part in the parade season in our community - including the Little League opener and the Memorial Day observance in Hoosick and Hoosick Falls.

Members of the brass section planned on performing carols in the village just before Christmas but were snowed out. Those students who are in Community Band were able to do the caroling on a different night with that group.

The band plans on making a stereo record as has been done in the past three years. This record is of the Pops Concert held in the early spring.

A special treat for junior band and other HFCS musicians was the trip to Radio City Music Hall for the Christmas show. Four bus loads of 180 students attended the celebrated show and the famous theater in the heart of New York City.

The junior band, the most active group of its age level in our country, finishes its year with a picnic at Grafton Park.

Soloists Perform At Contest.

The Senior Chorus, under the direction of Mr. Pedersen had another musically productive year. Its approximately 60 members produced two successful concerts-Christmas and Spring. An ensemble of voices selected from the chorus sang in both concerts and at Contest. Several young people also entered Contest as soloists. In February, 6 members were chosen to participate in the All-County at Hoosic Valley.

In Memoriam

Michael Bakaitis

"In life there is death." We the living must come to the realization that death is in our lives every day. We must ba able to come to grips with the fact that death will strike us in some way at some time in our lives. It is at this time that we the class of 1979 remember three of our classmates whose death touched early in their lives. For Claude and David death came suddenly. For Michael it came slowly. We can look to Michael for strength and use his example to come to terms with our own problems. The strength Michael showed us during his last days will prove an inspiration and boost to us all. We will never forger Mike, Claude, and David especially in this important time in our lives, graduation-1979
